Surrounded by 20 acres of lush tropical gardens. Siam Bayshore Resort is nestled in the quiet, southern tip of Pattaya Bay, yet is just a short stroll to the centre of town. The resort is distinctive for its bold, modern architecture, and its sculptured swimming pools are among Pattaya's most charming attractions.

At the Siam Bayshore Resort, it's easy to leave your worries behind as we pamper you with attentive service, fine cuisine and the extra little touches--free in-house movies, mini bar, spacious rooms--that ensure a relaxing and flawless vacation.

The 272 rooms and suites are designed to enhance the beauty of the gardens and offer great comfort and all the conveniences of a first class resort. Families can enjoy the spaciousness and privacy of the Garden Wing rooms that come with a children's playground and swimming pool.

In addition to a private Beach Club, Siam Bayshore also has four tennis courts, a volleyball court, an exercise room, and an assortment of water sports are available nearby. Along with meeting rooms that can accommodate up to 400 persons, these facilities make Siam Bayshore ideal for company seminars or retreats.

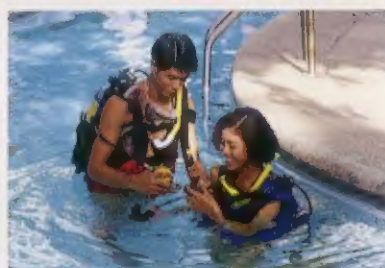

Siam Bayshore also has a wide selection of fine restaurants. Enjoy Thai and western dishes in an informal atmosphere at *The Bird of Paradise Café* or try a candlelit dinner at *Camillo Italian Restaurant*. The *Bali-Hai Chinese and Seafood Restaurant*, with ocean-view dining, serves superb Cantonese, Szechuan and seafood specialties that have long been the talk of the town. *The Greenery* is a great place for a relaxing drink and lively music while the *Horizons Lounge* offers a more quiet ambience.

In addition to 20 years of dedication to customer satisfaction as well as protecting the natural beauty of the resort, the Siam Bayshore Resort is proud of its "Think Green" policies, which place conservation of the environment at the top of the priority list, so that all our guests may enjoy the natural beauty of Pattaya Bay.

Tasteful elegance understated sophistication, and open-hearted Thai hospitality--you'll find them all at Siam Bayshore Resort.

The exciting beach resort of Pattaya has everything you need for a perfect vacation, including first-rate hotels such as the Siam Bayshore Resort.

In addition to offering a wide selection of popular water sports like windsurfing, parasailing and scuba diving, Pattaya also boasts fine tennis courts and more than a dozen world-class golf courses.

Beautiful Koh Samet and Coral Island, both just a short boatride away, are ideal destinations for fun-filled day excursions. And when you are not working

on your tan, you can always catch an elephant show or a Thai cultural performance at Nong Nooch Village.

Pattaya also offers plenty of great shopping for bargain seekers. As for thrill seekers, there is nearby Jomtien Beach, home of daredevil bungee jumpers.

By night, Pattaya bustles with lively music and entertainment. Unwind with a good walk down the beachfront promenade and enjoy the wonderful sights and sounds of Pattaya.
